Am I Eligible?

All registered International students taking credits are required to have health insurance coverage. Students are automatically enrolled in the Student Health Insurance Plan at registration and the premium is added to the student's tuition fees and do not have the option to waive coverage.

All registered Domestic students taking credits are required to have health insurance coverage, either through this Student Health Insurance Plan or through another individual or family plan. Students are automatically enrolled in the Student Health Insurance Plan at registration and the premium is added to the student's tuition fees unless proof of comparable coverage is provided by completing the waiver.

Insured Students who are enrolled in the Student Health Insurance Plan may also enroll their eligible dependents.

How Do I Waive/Enroll?

Eligible Students who DO NOT WANT to be enrolled in the Student Health Insurance Plan must submit an online Waiver Form documenting proof of comparable coverage in another health insurance plan prior to the posted waiver date.

Recognizing that health insurance situations may change, students will be required to provide proof of comparable coverage each academic year in order to waive participation in the Student Health Insurance Plan.

Submitted waiver information will be verified with the student's insurance company as part of the insurance verification process. If insurance status cannot be verified, the waiver will be revoked and the cost for the Plan will be charged to the student's Billing Statement.

Annual Term Waiver Deadline: October 1, 2019

Winter/Spring Term Waiver Deadline: February 1, 2020 (available to new domestic students to the College for the Winter/Spring Semester only)

No waivers will be accepted after the waiver deadline for the term. The insurance charge for the Plan will not be removed from the student's Billing Statement without an approved waiver.

A domestic student who initially waived coverage under the Plan but subsequently experiences ineligibility under another creditable coverage may elect to enroll for coverage under the Plan within 31 days of the date of ineligibility under another creditable coverage. Please contact Wellfleet Student Plans, at (877) 657-5030 for enrollment information.

Please contact Wellfleet Student at (877) 657-5030 for Dependent enrollment information.

Value Added Services

The following are not affiliated with Commercial Casualty Insurance Company and the services are not part of the Plan Underwritten by Commercial Casualty Insurance Company. These value-added options are provided by Wellfleet Student.

24 HOUR NURSELINE

Students who enroll and maintain medical coverage in this insurance plan have access to the *24 Hour Nurseline*. This *24-Hour Nurseline* program provides:

- Phone-based, reliable health information in response to health concerns and questions; and
- Assistance in decisions on the appropriate level of care for an injury or sickness.

Appropriate care may include self-care at home, a call to a physician, or a visit to the emergency room.

Calls are answered 24 hours a day, 365 days a year by experienced registered nurses who have been specifically trained to handle telephone health inquiries.

This program is not a substitute for doctor visits or emergency response systems. The *Nurseline* does not answer health plan benefit questions. Health benefit questions should be referred to the Plan Administrator. The *24 Hour Nurseline* toll free number will be on the ID card.

(800) 634-7629

With CareConnect from Wellfleet Student, students have 24/7 access to professional assistance to help manage personal concerns, emotional issues, transition and adjustment concerns, academic stress, career development, and the demands of daily and family obligations.

Members in need of assistance simply call the behavioral health hotline on their ID card, **(888) 857-5462**, or via the Wellfleet Student mobile app for immediate access to a masters-level mental health professional. Students are run through a clinical assessment to determine if CareConnect counseling, health center referral, or other treatment is necessary. To access mobile features, students simply download their school's app in their device's app store.
